Testimonials

What Our Clients Say

"The bottom line is ONETERRA saves us money while providing excellent business immigration support"

"My department had the opportunity to work with ONETERRA on several large inbound Canadian labour projects and their recommendations and expertise surrounding specialized knowledge applications has been invaluable to our organization"

"ONETERRA is fully integrated into our operations providing on-site support to our Canadian Head Office. We strongly value this important relationship"

"We moved our immigration files from a competitive firm to ONETERRA due to their corporate immigration expertise. They are leaders in their field"

"Having had an established relationship with a legal firm we approached ONETERRA with a specific request. Their legal expertise, professionalism and pricing was impressive and as a result we have since moved additional files to their firm"

"Our organization operates in Canada, USA and Mexico. ONETERRA has been able to provide us with the expert legal support ensuring our people can operate in all three countries"

Core Services

Our core services are broken down into three key service lines: Business Immigration, Global Mobility and Visa Services: These service lines form the foundation of our client solutions and can be tailored to meet individual client needs.

Business Immigration Services

We specialize in assisting companies with Canadian immigration services, U.S work permits and international business visas.

Visa Services

We offer full service global visa support for international business and leisure travel.

Global Mobility Services

We provide business immigration strategy support for companies deploying human capital internationally. We work closely with leading corporations and successful businesses of all sizes.

Experience

Our Clients - Experience Matters

We work closely with leading Fortune 500 Corporations and successful business of all sizes. We are proud to be the preferred partner of Canada's largest drilling company, the world largest E&P company, the world's largest oilfield services company and a leading North American technology & communications companies.

Immigration

Consultative and Comprehensive Immigration Support

Our Business Immigration Team provides a complete range of highly specialized immigration services for its clients, including bringing foreign nationals from around the world to work in Canada and similarly, transferring individuals from Canada to world-wide locations.

This includes securing Labour Market Impact Assessments, Work permits, Temporary Resident Visas and Study permits as well as facilitating intra-company cross border transfers, sponsorship of family members and Permanent Residency.

The nature of immigration laws, regulations and procedures is that they are frequently changing, and our being at the forefront of the latest regulatory and policy changes, ensures ONETERRA's clients can more easily navigate the challenges posed by the business immigration bureaucracy.

Our international scope of service includes the development and implementation of immigration strategies and the provision of counsel on matters of mobility, relocation, permanent residency and citizenship.
